

# DRINKING WATER PUBLIC NOTICE

**Date of Release:** Friday, May 1<sup>st</sup>, 2020

## FAILURE TO MEET ALL MONITORING REQUIREMENTS

To All Fannin County Water Authority Water Users,

*We are required to monitor your drinking water for total coliform bacteria on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. We did not complete all monitoring for total coliform bacteria and therefore cannot be sure of the quality of our drinking water during the times noted.*

The table below lists the violations for total coliform monitoring during the last 12 months.

**PWS Number:** GA1110124 Fannin County CDBG – Forge Mill System  
**Failure to Monitor:** October 2019

**PWS Number:** GA1110125 Fannin County USDA – My Mountain SD System  
**Failure to Monitor:** October 2019

**PWS Number:** GA1110126 Fannin County GEFA – Riverwalk System  
**Failure to Monitor:** October 2019

**PWS Number:** GA1110129 Fannin County Lake Cove System  
**Failure to Monitor:** November 2019, December 2019, January 2020, and February 2020

**What should our customers do?** No action is required.

**What has been done by FCWA?** Subsequent water samples have been collected and were determined to be safe by a State certified lab. We've also discussed these mishaps with staff and taken steps to reduce reoccurrence.

If you have any questions, please contact Mike Scarce at (706) 258-5160.

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
