

Due to the rising number of Covid-19 cases, the Rec Center will be closed to the public beginning Wednesday, January, 6<sup>th</sup>. The safety of our patrons & staff are our greatest priority at this time. We hope to be able to safely reopen the facility on Saturday, January 16<sup>th</sup>. During this time period we will also pause all basketball games & practices. Our hope is to resume practices on January 16th & eventually games the following week (revised schedules will be sent when completed). The Pre-K & After-School programs will remain open at this time. Thank you for your patience & understanding during this difficult time.

Please stay safe!

Eddie O'Neal

Recreation Director
