Date: June 6th. 2023

Re: Job Opening

The Recreation Department currently has a position open for a Facilities Manager at the Recreation Center. The position requires basic computer & accounting skills. Knowledge of Quickbooks would be a plus. Applicants must be able to work in a team environment & possess the ability to work with the public. Part of this position requires answering calls & scheduling our courts & pavilions. Pay will be based on experience & skill level. *A drug screen will be required.
