911 ADDRESS DISPLAY
A
RESOLUTION OF
THE FANNIN COUNTY BOARD OF COMMISSIONERS

Whereas the Fannin County Board of Commissioners are charged with protecting the health, safety, and wellbeing of the citizens of Fannin County, a political subdivision of the State of Georgia; and

Whereas Fannin County is privileged to have resources, natural and manmade, which are conducive to second homes and tourism; and

Whereas Fannin County benefits from the many tourists and guest of second homeowners who visit in Fannin County, Georgia; and

Whereas when visiting in Fannin County; Georgia, the Borad of Commissioners is tasked with ensuring the health, safety, and wellbeing of the guest to our county; and

Whereas in a further effort to provide for the emergency needs of guests to our county, it is necessary from time to time, for fire, rescue, or other emergency services to respond to a location where a guest is staying; and

Whereas it has come to the attention of Fannin County that there are times when guests in our area do not know the physical location of the cabin, home, lodge, or other accommodation in which they are staying; and

Whereas it is imperative to the health, safety, and wellbeing of the citizens of Fannin County, Georgia, and guests of Fannin County, Georgia, that emergency personnel have a valid physical address to route emergency responses as needed.

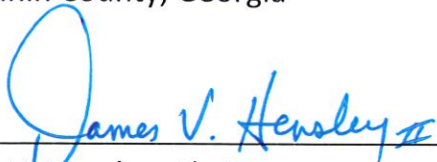

NOW THEREFORE, be is resolved as follows:

1. All owners of lodging that make the same available for rent or utilization by third parties shall insure that the 911 address is posted within the lodging, including the street number and road or street name.
2. That the street number is posted at the driveway of the structure.
3. That a copy of this resolution be provided to the Fannin Chamber of Commerce and all cabin rental and lodging providers located within the County to better disseminate not only the requirements of this Resolution, but also to help ensure the safety of guests to this area.

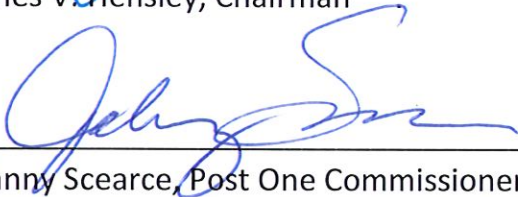

4. While every effort is made by Fannin County, a political subdivision of the State of Georgia, to respond as requested, the failure to properly identify the street address of a structure on the street and to post the same within the structure places the occupant of said property and the owner of the property at risk.
